Start your nursing career as a nurse extern

An excellent opportunity to learn at the bedside, sharpen your skills and work closely with all unit staff to impact the lives of patients prior to graduation - all with the flexibility of working around your school schedule.

Program Requirements

- Currently enrolled and in good standing in an accredited School of Nursing for a RN or LVN degree
- Current BLS (Basic Life Support) from the American Heart Association or American Red Cross
- Completion of the basic fundamental nursing courses and the ability to perform skills

Program Summary

- Minimum requirement of two 12-hour shifts per month
- Flexible scheduling with classes and clinicals
- Build confidence in your nursing skills
- Improve overall knowledge base in a hospital setting
- Network with hospital and nursing leaders prior to graduation
- Interview and secure RN residency positions early
